

Get the Most Out of Your Arrow Consultation

This guide helps you prepare for your 30-minute discovery call with Arrow, so you can get the most value from your session.

What to Know Before Your Consultation

- ➔ Your current IT and communications setup
- ➔ Key pain points or inefficiencies
- ➔ Business goals and growth plans
- ➔ Any vendors or platforms you're currently using

What to Bring to the Call

- ➔ A list of systems or tools you're currently using
- ➔ Any recent IT issues or support tickets
- ➔ Budget range or constraints (if known)
- ➔ Questions you want answered (e.g., scalability, security, integrations)

What You'll Receive After the Call

- ➔ A 2-page readiness summary
- ➔ Tailored solution recommendations
- ➔ Vendor insights and pricing guidance
- ➔ A roadmap for next steps
